Principal's Report

Dear Parents/Carers,

We had a marvellous time at our Book Week celebrations on Friday 6 November. The students and teachers looked fabulous dressed as their favourite book characters. Our students also participated actively in a range of fun literature activities on the day. Congratulations to Ayah El-Kheir, Ali Alameddine and Emily Huynh who were the winners of our Book Week animal guessing competition.

Many thanks to Mrs Nicholls (our teacher-librarian) for organising this special day and always instilling a love of books and encouraging our students to be lifelong readers. Mrs Nicholls has also organised a special Scholastics Book Club experience this month for our school community. Families can complete an online order from a range of wonderful books from the book catalogues distributed. Please refer to book ordering instructions already distributed.

More great photos can be found on our school website. Many thanks to all of our staff, families and students for all of your support of this special day and for your super effort with such amazing costumes on the day.

Kind regards,

Sharna Labbe

Transition Visits for Year 2 to Year 3

Year 2 Transition to Year 3

Our Year 2 students are eagerly getting ready for their transition to Year 3 and their new primary school for 2021. If they haven't done so already, parents/caregivers **must** visit the school they wish to seek enrolment for their child and complete the appropriate application forms for Year 3.

To introduce Year 2 children to life in Year 3, special transition programs have been organised at Birrong Public School and Chester Hill Public School. All of the Year 2 children who have enrolled at these local schools for 2021 will be taking part in these important programs in the upcoming weeks. These transition school visits are covered by the local excursion permission note that you have already signed and completed at the start of the school year.

Thank you for supporting our Year 2 students' smooth transition to their primary years of education. Please see Miss Colley or Ms Labbe in the school office if you require more information about your child's transition to Year 3 in 2021.
